Home Address _____ State _____ Zip Code _____

(Please indicate your preferred contact number with a check mark.)

Home Phone _____ Cell Phone _____ Campus Phone _____

Graduate Program _____

Please provide a 1-2 sentence description of your dissertation topic and/or research interests for a general audience.

Date of Candidacy Exam _____ Expected Date of Graduation _____

If accepted into the PFF program, you will be enrolled during autumn and spring semesters for a total of 2 credits.

Are there any funding or enrollment issues that could present a problem with this enrollment. No Yes (please describe)

Do you have restrictions on where you can be placed? For example, you don't have a care and can't be placed outside the Columbus metropolitan area? No Yes (please describe)

A key component of the Preparing Future Faculty program is the match with a faculty mentor at another institution. These pairings are intended to provide you with an opportunity to observe faculty roles and responsibilities at institutions other than Research I universities, rather than to find you an exact match with your field of specialization. Keep in mind that at smaller institutions, you may be hired by a department with only general ties to your area of expertise. Please list 1-3 departments typically found at liberal arts institutions that could provide you with a productive mentor match.

1. _____

2. _____

3. _____

II. Recommendation

You will need to provide one letter of recommendation from an Ohio State faculty member. Please request that your recommender focus on your teaching experiences, abilities, and potential. Information about your research is helpful if it can be related to future work in the classroom.
